

iNEMI

International Electronics Manufacturing Initiative

iNEMI China

*Dr. Haley Fu
Manager of Operations
January 16, 2008*

Advancing manufacturing technology

Regional Center in China

- **iNEMI China Collaboration has been active for three years**
 - Member forums
 - Project support
- **Made decision in 2006 to proceed with China center**
- **China representative office registration was approved in July 2007**
- **Office is in the Cimic Tower in Pudong, Shanghai**

iNEMI China- 2007 Summary

Within iNEMI

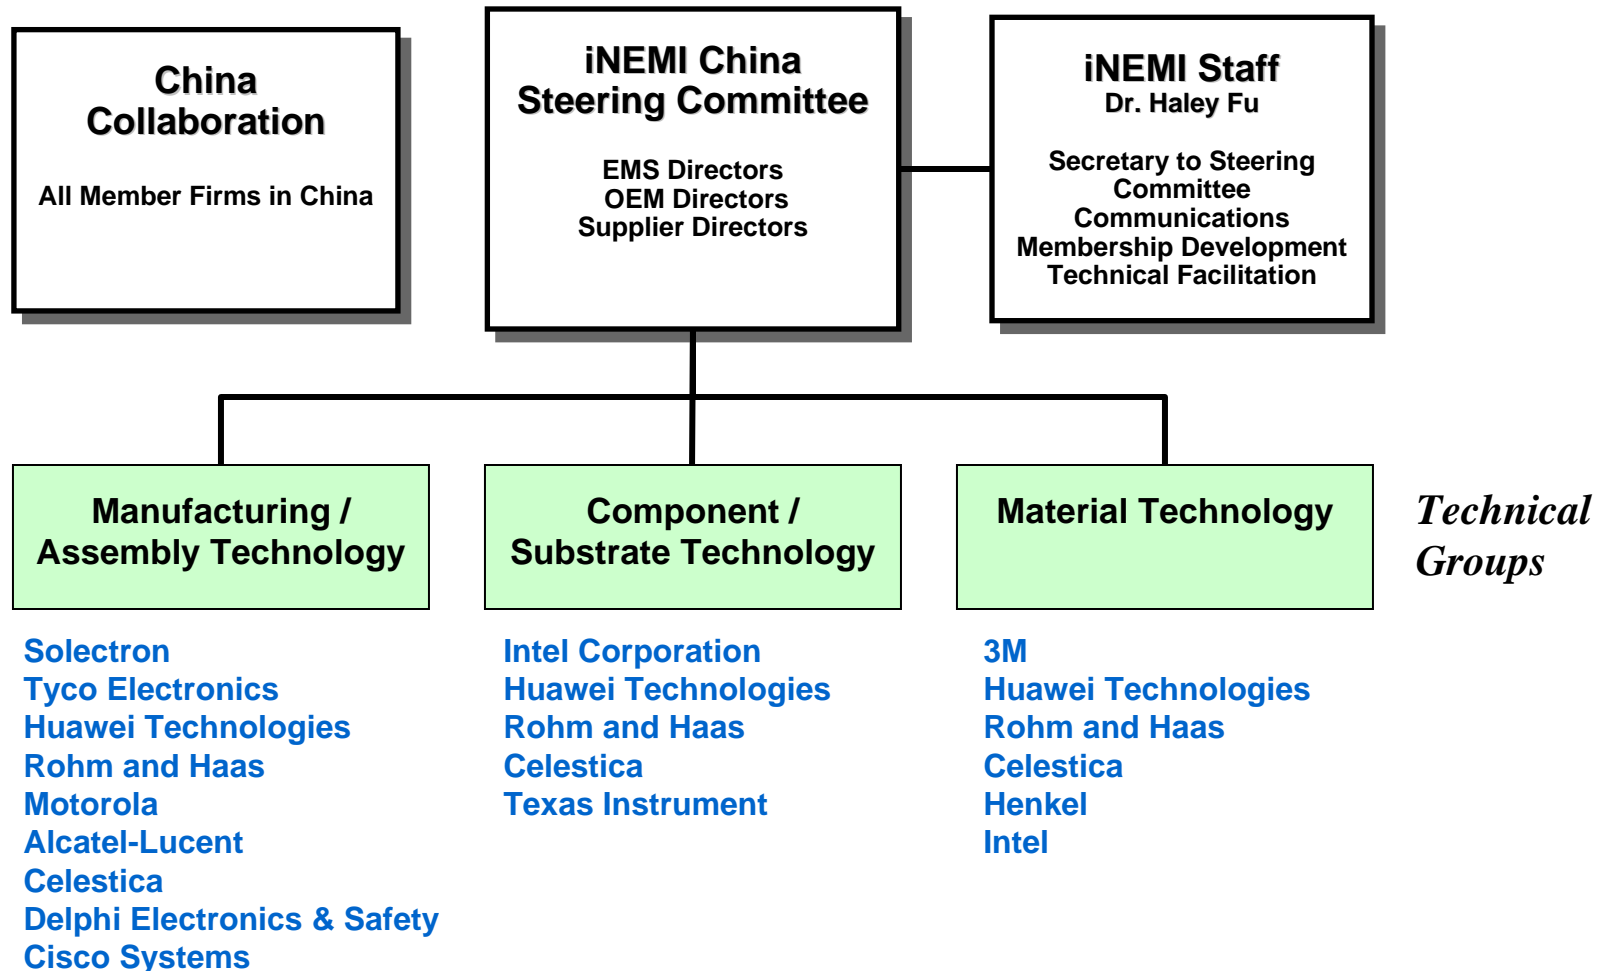

- **Built the iNEMI China members network**
 - Quarterly meetings (Collaboration & China Steering Committee)
 - Individual meetings with China Steering Committee members
- **Identify and establish projects**
 - Solder Paste Deposition Project
- **Established 3 Technical Groups & had initial meetings**
 - Manufacturing / assembly technologies
 - Component / substrate technologies
 - Materials technologies

External to iNEMI

- **Established initial relationships**
 - International organizations: IPC, AEA, IEEE CPMT, SMTA
 - Local organizations: CIE, CEPS, CPCA, SICA, etc.
 - Universities & institutes: Tsinghua, SJTU, SU SMIT, HKUST
- **Planned forum and office opening ceremony (January 16, 2008)**
- **iNEMI in forums: SMT China, Nepcon, HDP, ICEPT, CEF**

iNEMI China Organization

China Steering Committee

- **ZHU Jian (Alcatel-Lucent), Chair**
- **Haley Fu (iNEMI), Secretary**
- **CAO Xi (Huawei)**
- **Henry Ding (3M)**
- **Simon Lee (Rohm & Haas)**
- **George Lim (Celestica)**
- **Jim Liu (Motorola)**
- **LIU Xinqiang (Intel)**
- **Dave Martin (Tyco Electronics)**
- **Zambri Samsudin (Jabil)**
- **SHI Dong-Wei (Agilent)**
- **Sky Yang (Delphi)**

China Collaboration - September 2007

iNEMI

iNEMI China - 2008 Goals

- Promote iNEMI & enhance its influence by the means of networking, forums, projects, media/publications
- iNEMI Membership:
 - Increase China participation in roadmapping: Asian roadmapping workshop
 - Technical Groups: working plan, projects, workshops
 - **Start first iNEMI Project in China**
 - Solder Paste Deposition Project
 - Statement of Work available at www.inemi.org
 - Expand activities participation in Asia (Japan, Singapore, Malaysia, Taiwan, Hong Kong, Korea)
 - Increase membership
- Relationships:
 - Associations: China national & regional (major electronics areas)
 - Universities & institutes: HKUST, ITRI, SJTU, SU SMIT
 - Funding: CNSF
 - Government: China MII

2008 iNEMI China Calendar

- January 16, 2008 – Forum and Opening of China Office in Shanghai
- March 17, 2008 – China Steering Committee, Face-to-Face, Shanghai
- March 17, 2008 – China Collaboration Meeting
- March 17-19, 2008 – Electronic Circuits World Convention 11 Shanghai, China
- March 18-20, 2008 – Productronica, Shanghai, China
- June 2008 – Asian Roadmap Workshop – **China**
- June 12, 2008 – China Steering Committee Teleconference
- August 25, 2008 – China Steering Committee Face-to-Face, Shenzhen
- August 25, 2008 – China Collaboration Meeting, Shenzhen
- August 26-29 – NEPCON China South
- November 20, 2008 – China Steering Committee Teleconference
- December 12, 2008 – Year End China Collaboration Meeting, Shanghai
