

## **iNEMI Lead-Free Nano-Solder Project Release Sign-Up Instructions**

The following two documents are in final form and considered released for the iNEMI Lead-Free Nano-Solder Project:

Lead-Free Nano-Solder Statement of Work v 5.0 (June 30, 2005)

Lead-Free Nano-Solder Project Statement, v 3.0 (June 30, 2005)

In order to participate in this project, please sign the Project Statement and fax to the attention of:

Ms. Linda Anderson-Jessup  
iNEMI Secretariat  
Fax: 703-834-2735

by Friday, August 5, 2005. If the iNEMI Secretariat does not receive your signed Project Statement by this date, you will not be considered one of the founding members of the project.

Please note that we recognize the time it takes to process this document through organizations. If your organization intends to join the project but does not have the Project Statement processed through your organization by Friday, August 5, 2005, your organization will still be considered a founding project participant if you send a note to David Godlewski, iNEMI, stating your intent to join the project.

David Godlewski
